

myACCESS Enrollment (Two-Step Process)

1. Go to www.myaglender.com and **select** the Login button in the top right-hand corner.

2. From the myACCESS login page, **select** the Enroll Now button.

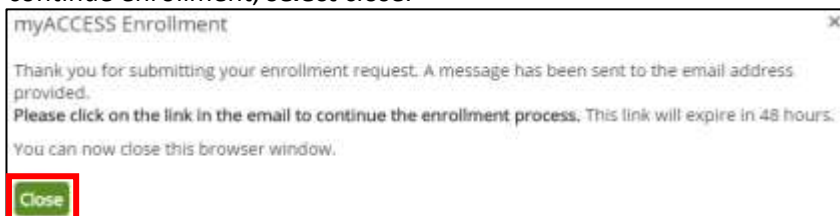

3. Select which type of account to create. If you are a current customer, select the option to match how your customer account is set up (Individual or Business).

4. **Complete** required fields. You must input a valid email address to complete the next step, **click** submit.

A screenshot of the "myACCESS Enrollment" form with the "Individual" account type selected. The form includes fields for "Type:" (set to "Individual"), "First Name:", "Last Name:", and "Email Address:". Each field has a red asterisk indicating it is required. At the bottom are "Submit" and "Cancel" buttons.A screenshot of the "myACCESS Enrollment" form with the "Business" account type selected. The form includes fields for "Type:" (set to "Business"), "Business Name:", and "Email Address:". Each field has a red asterisk indicating it is required. At the bottom are "Submit" and "Cancel" buttons.

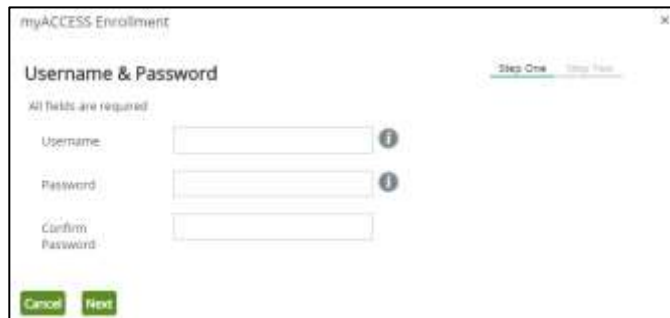

5. A message displays confirming the enrollment request and prompts you to check your email address for a link to continue enrollment, **select** close.

6. An email is sent to the email address provided during enrollment. **Click** on the link provided in the email to resume enrollment. **Note: the link expires in 48 hours.**

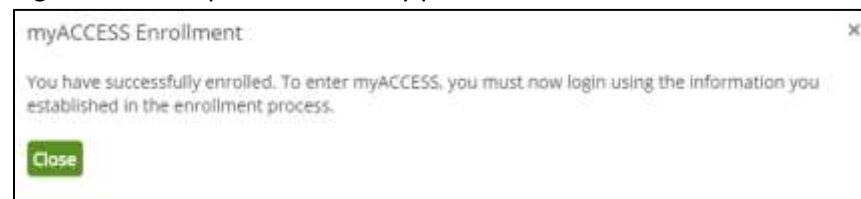

7. The link redirects you to the myACCESS login screen with an enrollment popup window. **Enter** a username and password. Then, **select** next to continue.

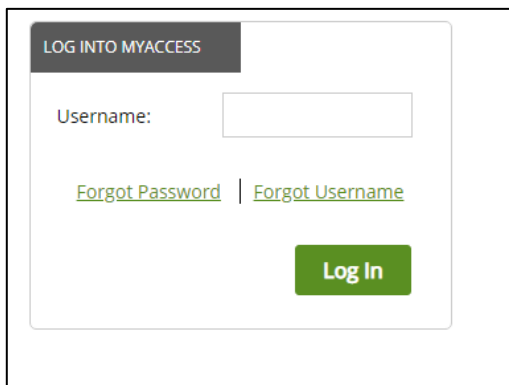

8. Create a security phrase and **select** an image, **click** next.

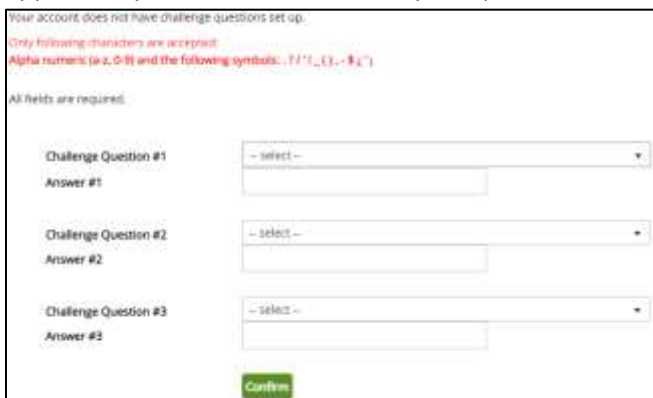

9. Step one of enrollment complete! An enrollment confirmation message will display. **Click** close and you are ready to login in and complete the identity portion of enrollment.

1. Enter the username you created, **select** login.

2. **Select** 3 challenge questions and **enter** the answers, **click** confirm. After you select confirm, you will have the opportunity to review and/or edit your questions and answers if needed. **Select** submit after review.

3. Verify the security phrase and image before entering your password. Key your password, **select** submit.

4. After reading and scrolling to the bottom of the terms and agreements, Accept and Decline buttons appear, **select** Accept if you agree then **click** submit.

5. You will be redirected to the customer identity page. **Click** yes if you are a customer or were provided a passphrase by Farm Credit of Western Arkansas.

6. Confirm the identity type by **selecting** Social Security Number or Taxpayer Identification Number. Complete subfields based on Identity type, **select** next.

6a. Social Security Number

6b. Taxpayer Identification Number

7. Confirm account information by **selecting** Loan or Passphrase. Complete subfields based on information type, **select** next.

7a. Loan

7b. Passphrase

8. Your identity is confirmed, and you have full access to online banking, file exchange, my document, my alerts and my profile. For support, please call 479.968.1434.
